

SELECTION OF ALTERNATES FOR LAS VEGAS WORLDS
October 2-9, 2016

We have been allocated 58 places for Qualified Drivers. (These are the 1st 58 finishers in Fuel Off Road Nationals in 2015)

Invitations to Qualified drivers will be mailed to them in January. To claim their qualified position they will need to return a paid entry form with the necessary entry fee by the deadline date (March 15)

Racers who request alternate status for slots not taken by Qualified Racers will be sent an application form to apply for the unused openings at the same time the qualified forms are mailed (or later if the request is received after the mailing). Forms are to be returned with paid entry at the same time as the qualified forms are due. (March 15)

Alternate applications returned with payment will be logged by date received.

On March 16, the unclaimed open qualified slots will be assigned to the alternate entries received, giving priority to those who attended the qualifying Nationals (preferred alternates) in the order of their Nationals finish. If open slots remain, they will be filled by alternates in the order entry forms were received, until the 58 places are filled.

Overflow will be held as "waiting" in the order of receipt pending availability of unused slots from other blocs.

The entry fee to be \$400. Only mail in entries will be accepted.

Cancellation fee will be \$100 to avoid a problem we have faced with Nationals, in that racers sign up to hold a position knowing the cancellation fee is relatively painless comparing to missing the event. Then they cancel at the last minute where it is difficult for those waiting to plan attendance.

Those on the waiting list can cancel at any time and have their payment returned without penalty. However, once moved to "entered" the cancellation penalty would be applied.

No refunds after August 31.
