

**FOR IMMEDIATE RELEASE:**

**ROAR Nationals Bids – Now Being Accepted - June 1<sup>st</sup> – August 31<sup>st</sup>, 2013**

**May 31, 2013** – Bids for Nationals venues in all ROAR classes are now being accepted for the 2014 season. Any ROAR affiliated track interested in hosting a National event is asked to please get their bid in as soon as possible. This open bidding session will go through August 31<sup>st</sup>, 2013.

For more information or bidding templates, please go to the “National Races” link on the ROAR website at [www.roarracing.com](http://www.roarracing.com).

***Remotely Operated Auto Racers (ROAR)*** is a sanctioning body, of the racers, and for the racers. This non-profit organization includes an Executive Committee and Section staff completely made up of volunteers. ROAR has been setting the standard for radio controlled racing competition and specifications since 1967, and is the oldest RC sanctioning body in the world.

**Media Inquires:**

David Larry ROAR Competition Director
